Dr Bike

We will be at your school with a Dr Bike for free bicycle servicing and minor repairs! Bring along your bikes for a check up.

We work with the school community to make the roads around schools safer, cleaner and greener for children and their families to walk and cycle.

We will be at St Augustine's Primary on Tuesday 22nd March from 8:15am-12:30pm

Please bring any bikes to the cycle parking for us to service.

This project is part of Nottingham City Council's Capability Fund programme

Does your bike need an MOT?

Please bring it to school on 22nd March (from 8.15am-12.30pm) and it will be checked and fixed, if needed.

FINALLY, IT'S HAIR CUT TIME!

Thank you all that have donated and cheered Daniel on during this challenge.

Last Friday he had the chop - I have included before and after.

I will let you all know the total for The Princess Trust when we close the challenge at the end of this month.

Many thanks from Daniel and Natalie

SCIENCE WEEK

Don't forget to check out everything we're doing next week, in yesterday's letter. Science Week is going to be AMAZING! We'll have real-life chicks hatching and an animal roadshow and lots of science experiments!

A huge thank you to Miss Knight in working tirelessly putting this together.

WE CAN'T WAIT!

NEW SCHOOL DINNER MENU

A brand-new menu starts from MONDAY 21ST MARCH 2022.

Here it is:

YUMMY

HUGE WELL DONE TO OUR YEAR 6 FOOTBALL TEAM! THEY ACHIEVED 2ND PLACE IN THE LEAGUE AND ARE GREAT AMBASSADORS FOR OUR SCHOOL.

Mr Napthine, Mr Spencer and Mrs Moore treated the boys to a special spicy chicken lunch yesterday.

A massive thank you also to Mr Napthine and Mr Adams for their commitment to the team... We call them Cloughie and Taylor!

SCHOOL STREETS PROJECT-HAVE YOUR SAY

As you will be aware a School Streets scheme has been in place around a school near where you live or work. The aim of the School Streets is to reduce traffic around schools in order to create a calmer, more pleasant environment for pupils, parents and residents, a space with less air pollution and that will encourage more pupils and parents to walk, scoot and cycle on the school journey.

Planters have been put in place to define the extents of the School Streets. Residents and businesses, including access for delivery vehicles, is permitted as normal, however access for parents to drop off and pick up is not allowed.

We want to hear the views of parents, pupils, school staff, residents and local businesses about the School Streets Project. Please use the link or scan the QR code below to complete a short questionnaire to have your say.

All respondents who complete the survey and provide their contact details will be entered into a free prize draw and will have a chance of winning a £20 Victoria Centre voucher. The survey closes on the 1 April 2022.
