## Polite Reminder

To confirm no parents or family members should be coming into school and entering classrooms under any circumstances unless they have an appointment.

**If anything needs to be passed to a child, this should be done via the office.**

**This is to ensure the safety of the children at all times.**

Please contact the office if you have any questions regarding this.

## Nut Free School

Please can we ask that parents do not send their child to school with nut products.

This includes Nutella, Peanut butter, Pistachio nuts and Muesli Bars.

**This is due to us having several children at school with severe nut allergies.**

Thank you for your continued cooperation with this.

## Let's keep kids safe online

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

Mrs Moore and Mrs Bates are the designated teachers for Child Protection issues and will refer any serious concerns to Social Care.

We will always do our best to work in partnership with parents. We will liaise with Social Care and our Attendance Service in the best interests of the child.

Who do you talk to in school about safeguarding concerns?
