09.06.23

Dear Families,

We have had a lovely week back. The children have been focused and impeccably behaved.

Don't forget that if you have any queries or concerns please do catch me at the school gate at the beginning or end of the school day or email me francesmoore@st-augustines.nottingham.sch.uk

Thank you for your continued support.

We hope you enjoy this week's highlights.

EYFS Corner : Ask your child

Ask me about The Tiger who Came to Tea.

Ask me to write about The Tiger who Came to Tea.

Ask me about doubling and sharing. Help me to share things into 2 and 3 groups.

Ask me what animals live in the jungle.

Next week – Our focus book is: Poo in the Zoo.

We are going to be learning about the layers of a jungle and animals that live there.

We are going to be writing sentences using our phonics.

We are going to be learning more about sharing and we will be learning about odd and even numbers (we have done a little bit of work on this before so ask me about it to see if I can remember!).

We are going to be decorating pots for our sunflowers.

If you have good thoughts, they will shine out of your face like sunbeams and you will always look lovely!

School Games Gold Mark Award

We are delighted to announce that we, St Augustine's, have achieved the School Games Gold Mark Award for the 2022/23 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. With a variety of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year. A special thanks to everyone involved with this. We look forward to applying once again in 2024!

Year 5 Quad Kids Athletics Event

So proud of how brilliantly our children represented St A's today at the Year 5 Quad Kids Athletics event. Well done

Design a Health Lunch Box!

Here at St Augustine's we actively encourage healthy eating and all school meals provided follow the healthy eating guide lines.

To help get our children more involved with eating a healthy balanced diet we thought it would be fun for them to design a healthy packed lunch, whether it's a fabulous salad or hearty sandwich we want to see your ideas. They can either fill in a picture from the office or draw their own lunch box (don't forget to label all the yummy things so we know what you have put in your box) then bring it to the office by **Friday 23rd June** where the best lunch boxes will win a mystery prize!

Sun Safety

Here at St Augustine's the children's health and wellbeing is of the utmost important to us, which is why the children are encouraged to be 'SunSmart' while at school. As a school we will ensure that:

The children learn about effective sun protection. The children are encouraged to use the shaded areas in the playground. We encourage pupils to wear sun hats and sunglasses when outside. We ask that all pupils apply sunscreen before school (at least factor 30+). We ask that all children have a water bottle with them. We ask that all children wear appropriate school uniform for the weather.

You can help by:

- Talking to your child about the importance of sun protection at home
- Send your child to school with a wide brimmed sun hat and sunglasses
- Ensure your child applies sun-lotion before school on sunny days
- Remind your child about the SunSmart code:
- Spend time in the shade between 11am and 3pm
- Make sure you never burn
- Aim to cover up with a sun hat and sunglasses
- Use at least factor 30+ sunscreen

Keep hydrated by drink plenty of water especially on hot days

More advice and information can be found at www.sunsmart.org.uk

Together we can have a very happy and safe term to come.

Polite Reminder

To confirm no parents or family members should be coming into school and entering classrooms under any circumstances unless they have an appointment.

If anything needs to be passed to a child, this should be done via the office.

This is to ensure the safety of the children at all times.

Please contact the office if you have any questions regarding this.

Nut Free School

Please can we ask that parents do not send their child to school with nut products.

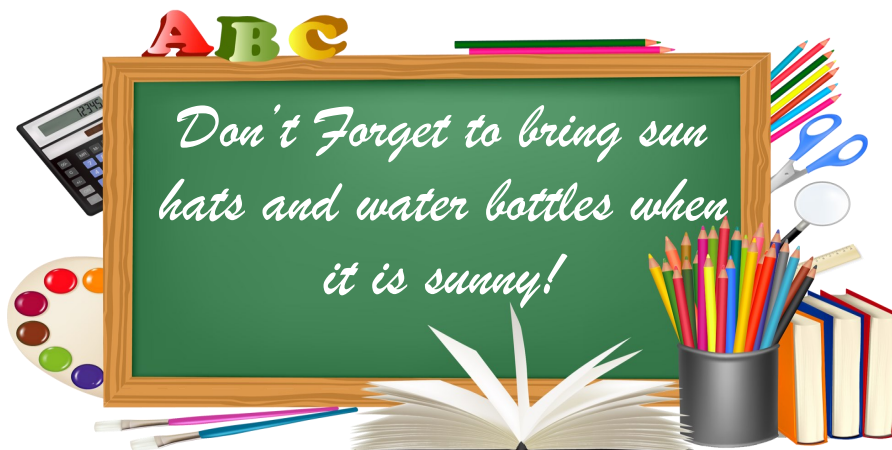

This includes Nutella, Peanut butter, Pistachio nuts and Muesli Bars.

This is due to us having several children at school with severe nut allergies.

Thank you for your continued cooperation with this.

Remember St Augustine's is now on Twitter!

Let's keep kids safe online

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

Date: Monday 19 June 2023
Time: 2:15-3:15pm
Location: St Augustine's School

Safeguarding at St Augustine's

Learning to Serve - Loving to Learn

The governors and staff at St Augustine's take seriously our responsibility to promote the welfare and safeguarding of all the children entrusted to our care.

Mrs Moore and Mrs Bates are the designated teachers for Child Protection issues and will refer any serious concerns to Social Care.

We will always do our best to work in partnership with parents. We will liaise with Social Care and our Attendance Service in the best interests of the child.

Who do you talk to in school about safeguarding concerns?
