

Physical Development:

Fine motor: holding a pencil with increasing control. Developing finger strength through a variety of activities such as playdough, construction, small tools.

Gross motor: Poppies to participate in PE with the PE provider and daisies with the class teacher, learning to move at different speeds, to move over and around obstacles and move the body in different ways.

Communication and Language:

Develop communication and language skills through a love of stories, using the language of story in role play and small world activities, repeating and performing familiar stories with confidence and learning new vocabulary.

Personal, Social and Emotional:

Taking turns to listen and to speak, using our words to explain problems, making friends, co-operating and sharing, showing kindness.

Understanding of the World:

Know that there are 4 seasons, observing the changes that occur, going on an Autumn walk to collect treasures. Know what a map is for and identifying key areas of a map.

Reception Curriculum Map Advent 2

Knights and Castles

Religious Education:

This term we are learning the importance of birthdays for ourselves, our families and friends.

We are learning the importance of the birth of Jesus and the true meaning of Christmas.

We will be performing our F2 Nativity to our families.

Mathematics:

Identify numerals and match to a set of objects. Count beyond 10 and begin to learn some addition facts to 5+. Identify some 2D shapes and their properties. Begin to make simple repeating patterns

Literacy:

To understand the difference between fiction and non-fiction.

Understand that stories have a sequence with a beginning, middle and end.

Expressive Arts and Design:

Know some songs and nursery rhymes and sing them independently. Know how to use different building materials to construct and balance. Practise colour mixing.

Characteristics of Learning:

Confidence to explore new activities and participate, enjoying widening their choice of activity during continuous provision.

Awe and wonder in discovery!
