Dear Parents/Carers,

I hope you are well and have had a good week.

We've had such an amazing week at St Augustine's.

I'm so proud of our children who are working hard and having great fun with their friends. I am also incredibly proud of Year 3 who presented a wonderful assembly about their great learning. We hope you enjoy this week's highlights.

As always, thank you for your continued support and if you have any queries, please do not hesitate to contact me: frances.moore@st-augustines.nottingham.sch.uk or catch me at the start or end of the school day, I'll be at the KS1 entrance.

Lateness

Once the gates are closed at **8.55am** the only way to get into school is via the main door/school office.

Children who are persistently late miss a significant amount of learning, often the most important aspect, as the beginning of the day is where the teacher explains the learning and what each child is expected to achieve.

Where there have been persistent incidents of lateness parents/carers will receive a phone call from myself advising them of our concerns and I will provide opportunities for parents/carers to seek support and advice to address these issues. Please ensure that your child arrives at school on time. Thank you to the 90% of parents who ensure that this happens. Let's get it to 100% St A's!

F2 Curriculum Corner

We have had another busy week in Reception this week!

We have still been reading 'Zog' in English and we have produced some super work all about Zog!

Ask me:

What is the job of an author? What is the job of an illustrator?
What other books have you read by Julia Donaldson? Do you have any of them at home?

In Maths we have been working on length, height and time.

Ask me:

Show me two objects and ask me which is taller/shorter?
What are the BSL signs for tall, short, and long?

On Wednesday we started our new PE unit. We are doing dance based lessons and working on moving around like dinosaurs!!!

Ask me:

How would a dinosaur move around?
Does it change when we are different dinosaurs? T-Rex? Pterodactyl?

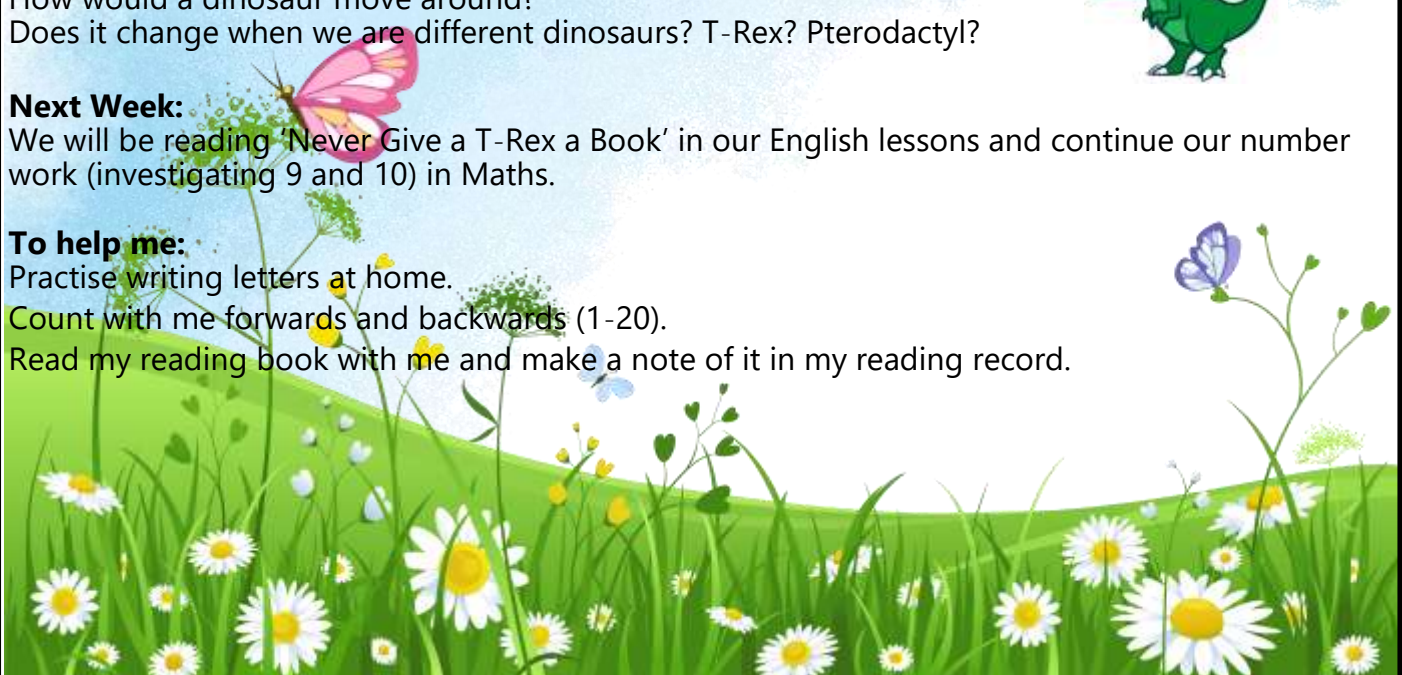

Next Week:

We will be reading 'Never Give a T-Rex a Book' in our English lessons and continue our number work (investigating 9 and 10) in Maths.

To help me:

Practise writing letters at home.
Count with me forwards and backwards (1-20).
Read my reading book with me and make a note of it in my reading record.

PE Kits

As you are aware PE is an important part of your child's learning and physical development.

Your child requires their PE kit in school everyday of the week so we ask that they bring their PE kits in at the beginning of each term then take them home at the end of each term for them to be washed.

If they do not bring in their PE kits when required they cannot participate in the lesson due to hygiene reasons.

Your child's PE kit should consist of a white tee-shirt, red or black shorts, grey tracksuit bottoms, trainers or plimsols (please note they do not need to have the school logo on). Leggings and football kits are not permitted and will be classed as incorrect PE kit.

Please can all parents ensure that all items of your child's uniform and PE kit are labelled with your child's name.

We will always do our best to work in partnership with parents. We will liaise with Social Services and our Attendance Service in the best interests of the child.
