Dear Families,

Welcome to our bumper edition newsletter. We hope you enjoy reading about the highlights from the past two weeks. It has certainly been a busy and exciting time, with camping trips, the Year 6 residential, SATs results, and some very warm classrooms.

The children have been rising to every challenge with enthusiasm, and the next two weeks promise to be just as busy and brilliant.

I could not be prouder of our Year 6 children – their SATs results are a testament to their hard work, and their behaviour during the residential at The Briars was excellent. It's always lovely to hear how well-mannered and respectful they are, and it makes me a very proud Headteacher.

During our assembly this week, we have been celebrating our heritage. I've asked all the children to think about who inspires them and why. This could be a great reflective activity to do together over the weekend – a lovely way to stay cool while thinking about the people who make a difference in our lives.

A polite reminder: all parents dropping off F2 and KS1 children must use the Infant Gate on Park Avenue. The entrance next to F2 should only be used if you require access to the ramp. We've noticed an increasing number of parents congregating at the F2 gate, which is becoming a safety concern. Thank you for your support in keeping everyone safe.

Wishing you all a relaxing and enjoyable weekend – it looks like it's going to be a warm one!

If you need anything, feel free to catch me at the school gate at the start or end of the day or email me:

Yours sincerely,

Mrs Moore

Birthdays at School

We love to celebrate the birthdays of our children here at St Augustine's and we know that some parents like to send in treats into school so that their class can celebrate their birthday to.

Please remember that only something small such as a **small bag of Haribo** or other sweets and individual cupcakes are accepted. **We will not be able to take large cakes, as we do not have the capacity in school to cut them and serve them to the children.** Please also keep in mind that some of our children do have allergies or dietary requirements when sending in a treat for the class.

Year 5/6 English

Whole Class Reading in Year 5/6 and they have been practising their oracy skills by putting on a play version of our class book, The Moth .

Welcome to the EYFS Curriculum Corner:

In F1:

Next week we will be reading 'The Pig in the Pond' in English.

Ask me:

How did Neligan's pig feel about the warm weather? What did he do to cool down? What did Neligan the Farmer do at the end of the story?

In Maths we have been counting groups of animals and adding them together. We have been trying to write the answers.

Ask me:

Give me two groups of objects. Ask me to add them together and try to write the answer.

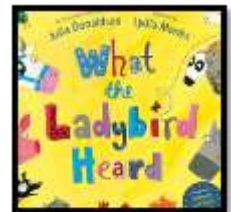

In F2:

We have started reading 'What the Ladybird Heard' this week and we already love it. We have loved a lot of Julia Donaldson's stories this year in Poppies and Daisies!

Ask me:

What are some of the animals we meet in the story?

Can you remember the plan of Lanky Len and Hefty Hugh?

In Maths we have been consolidating our shape knowledge as well as using concrete resources to help us with our working out of addition calculations.

Ask me:

Can you use items from around the house to help you with some addition calculations?

Next week: We will be going to Floralands Farm – the children are SO excited!
