Dear Parents and Carers,

It was such a pleasure to see so many of you at our Meet the Teacher event on Wednesday. A huge thank you for taking the time to attend – your support means the world to us. We truly believe that strong partnerships between school, family, and parish create the perfect environment for our children to thrive, and we are grateful to have you as part of this journey.

Despite the rain this week, our spirits remain high, and it has been a wonderfully productive week at school. We have been focusing on our Word of the Week—Patience—and have shown great forgiveness when needed. Next week, we will be reflecting on Work as our new word of the week.

Here's a simple prayer about Work, in the spirit of Jesus' teachings, which we encourage you to share as a family:

A Prayer for Work

Dear God,
Thank You for the gift of work. Help us to see that work teaches us responsibility and makes us strong.
Please help us to always work with a happy heart, doing our best and using the talents You have given us.
May we respect all kinds of work and the people who help others through their jobs.
Teach us to remember that work is not just about earning money, but about helping others and making the world a better place.
Thank You for allowing us to share in Your good work.
Amen.

Remember you can catch me at the school gate at the beginning or end of the school day or email me at frances.moore@st-augustines.nottingham.sch.uk

Wishing you all a lovely weekend ahead.

Yours faithfully
Mrs Moore

Birthdays at School

We love to celebrate the birthdays of our children here at St Augustine's and we know that some parents like to send in treats into school so that their class can celebrate their birthday to.

Please remember that only something small such as a **small bag of Haribo** or other sweets and individual cupcakes are accepted. **We will not be able to take large cakes, as we do not have the capacity in school to cut them and serve them to the children.** Please also keep in mind that some of our children do have allergies or dietary requirements when sending in a treat for the class.

Year 6 Bridges

Practical activities are in full swing in Year 6 with the children testing out different types of bridges.

Year 1 PE

In PE Year 1 worked on their spatial awareness and working as a team. They were brilliant at responding to the instructions.

Year 1/2 Computing

Today in Class 1/2 we have been learning about computers and what machines use a computer.

Education Sunday

A beautiful Mass this week as we celebrated Education Sunday. It was wonderful to recognise what a special parish community we are, striving always to love and serve God in all that we do.

Well done to T and G, who spoke so thoughtfully at Mass about what they love about our school.

F2 Gardening

F2 were helping to look after God's wonderful world by tidying, weeding and even planting some fresh flowers. They are such great stewards!

Year 4 Music Lessons

Year 4 did brilliantly today, identifying rhythmic and melodic ostinatos in an Ed Sheeran song.

Celebration Assembly

The quality of our work counts. The quality of our character counts. Every second counts. A huge well done to this week's worthy winners.

Opening Mass

A beautiful Mass this week to celebrate the start of our new school year and to offer our prayers. Lovely to join the parishioners in our parish too. Thank you, Fr Chris.

Meet The Teacher

The best turn out EVER at our Meet The Teacher event after school this week.

Safeguarding at St Augustine's

Learning to Serve - Loving to Learn

The governors and staff at St Augustine's take seriously our responsibility to promote the welfare and safeguarding of all the children entrusted to our care.

Mrs Moore and Mr Edge are the designated teachers for Child Protection issues and will refer any serious concerns to Social Care.

We will always do our best to work in partnership with parents. We will liaise with Social Services and our Attendance Service in the best interests of the child.

Who do you talk to in school about safeguarding concerns?
