OPAL PLAY (outdoor play and learning)

What is OPAL?

Your child will have many more opportunities to be active, as the whole school grounds will be used throughout the year. They will have many more opportunities for imaginative play as there will be many objects to play with. Your child can mix with children of all ages and choose where and how they play. Staff will receive specialist training to enrich play.

OPAL PLAY (outdoor play and learning)

We try to play in rain, snow, mud and sunshine. We promote 'all weather play'.

To support us with this waterproof coats are essential and wellies are big help too!

Gloves in the cold weather are needed too.

OPAL PLAY (outdoor play and learning)

Look out for an OPAL Play Parent Session invite which will allow you to participate in and understand the school's play-based learning environment. There will be a "Stay and Play" session in October where you can play alongside your child/children.

If you have any questions about OPAL, please speak to Miss Rice- Allen (OPAL co-Ordinator)
